DIVYANGJAN POLICY

DIVYANGJAN POLICY

At Safa College of Arts and Science, people with disabilities receive explicit attention in addition to a strong emphasis on equality, freedom, justice, and dignity for all. The capabilities of people with disabilities are increasingly being recognized, and they are being mainstreamed into society. Despite the extremely low number of disabled people, the college takes an inclusive approach to them and ensure that they benefit from the programs, administration, and activities..

The following procedures shall be implemented in the college for Divyangjan:

1. Abide to the duties of educational institution as prescribed in “The rights of person with disabilities act 2016”.
2. Provide necessary facilities for the differently abled students in the College.
3. Create a welcoming environment free from discrimination and provide exceptional opportunities.
4. Assure participation of Divyangjan Students in all activities of the College.
5. Encourage intellectual and social development that is consistent with the inclusivity goal.
6. Sensible convenience shall be made to meet the necessities of Students with disabilities.
7. Promote suitable strategies and measures to overcome disabilities of the youngsters in the community.
