SHAHMIL BABU was selected through a rigorous process that assessed their commitment to community service, leadership skills, and overall contribution to the NSS activities. Their dedication, hard work, and passion for social service have rightfully earned them this opportunity.

CHALLENGES ENCOUNTERED BY NSS

The National Service Scheme (NSS) encounters several challenges that affect its effectiveness and efficiency in achieving its goals. These challenges can be broadly categorized into various aspects:

- Funding and Resource Allocation
- Volunteer Management
- Coordination and Administrative Challenges
- Community Engagement
- Geographical and Logistical Challenges
- Health and Safety
- Impact Measurement and Evaluation
- Sustainability and Continuity
- Awareness and Recognition

Addressing these challenges requires concerted efforts from all stakeholders, including the government, educational institutions, volunteers, and local communities. By improving funding, training, coordination, and support mechanisms, the NSS can enhance its effectiveness in fostering community service and development across India. Despite encountering challenges, the NSS demonstrated commendable dedication and effectiveness in executing these initiatives, contributing significantly to the college community's development and process. Continued support and enhancement of these efforts will further strengthen the culture of inclusivity and empowerment at SAFA College.
