Readers Forum Secretary Shikha (3rd BSW Department) welcomed the Program. Fathima Kiba from 2nd year Psychology department started the discussion. The book Ente Katha is an autobiography written by Kimala Surayya (Madavikutty) in the year 1973. She was motivated to write this as she became ill and thought will not survive. The book was controversial and outspoken and had her critics gunning her after it was published in 1973; after shocking her readers with her conventions and expression of her opinions on subjects in society. More of the opinion on the hypocrisy of it. Though My story was supposed to be an autobiography. Das later admitted that there was plenty of fiction in it. Readers forum joint coordinator conclude the Discussion. The active discussions of students make the program a big success.
